HUNTINGTON BEACH, Calif.--(BUSINESS WIRE)--Confie, a national provider of personal and commercial lines insurance, was again ranked among the world's top 20 insurance brokers on the *Best's Review* list of Top Global Insurance Brokers. It is the third consecutive year that the California-based brokerage placed in the top 20 in this prestigious annual ranking, which was published in July, 2017.

The industry's premier monthly news magazine recognized Confie for "continuing its consolidation of personal lines/small commercial brokers with more than 19 acquisitions in 2016." Operating as Freeway Insurance, Confie currently has more than 760 offices in 17 states.

Notably, Confie is the only insurance distribution company on this year's list with a primary focus on personal lines and small commercial insurance.

"For a company with less than 10 years in the market, it's humbling to achieve this level of international distinction," said Confie Executive Chairman Mordy Rothberg. Confie partnered with Freeway Insurance, Inc. in 2008 and quickly became one of the largest and fastest-growing privately-owned insurance brokers in the United States.
