

For a fourth year in a row, Confie and its employees step up for Toys for Tots with thousands of toys and \$2.6 million in advertising services

HUNTINGTON BEACH, Calif., Dec. 23, 2020 /PRNewswire/ -- Confie, the nation's leading personal lines insurance agency and parent to Freeway Insurance, is in its fourth year as a national 5-star sponsor for Toys for Tots. This holiday season, Confie employees and customers donated more than 4,500 toys for children throughout the United States, topping last year's contributions by almost 40%.

In addition to the donations collected in the field, Confie contributed over \$2.6 million in advertising services to spread awareness of the Toys for Tots program on a national scale.

"We are honored to continue working with Toys for Tots, making a difference in the lives of children across the country," said Cesar Soriano, CEO of Confie. "Providing some holiday joy for families in this way is more important now than ever before."

The mission of the Marine Toys for Tots Program is to collect new, unwrapped toys and distribute those toys to less fortunate children during the holiday season. The primary goal of this program is, through the gift of a new toy, help bring the joy of Christmas and send a message of hope to America's less fortunate children.

"We are pleased to have such generous support from Confie," said retired Marine Colonel Ted Silvester, vice president of the Marine Toys for Tots Foundation. "Not only did the toys they collected help

children in need within the local area, their massive media exposure helped raise awareness and generate support throughout the country allowing Toys for Tots to deliver hope to millions of less fortunate children."

Toys for Tots is a top-ranked charity. It meets all standards of the Better Business Bureau Wise Giving Alliance.
